Subject:- Counting of service of Messrs. Guru Rao and Narasimmiah as Hackney carriage writers in the Municipal Commission for leave and pension under Government.

Forwarded.

The Municipal Commission have in their resolution No.3 dated the 22nd February 1929 admitted their liability for the payment of proportionate pension for the period of service rendered by Messrs. Guru Rao and Narasimiah as writers of the Hackney carriage Department. The Municipal Commission are however not prepared to admit their liability for their share of leave allowances in respect of service rendered by the above two individuals in the Municipality. Vide their Resolution No.5 dated the 17th May 1929.

The Hon'ble the Resident may issue an order under Art.801 (1) C.S.R. directing that the pensionable service of the above two individuals under the Municipal Commission may be combined with the qualifying service under Government and that the pension shall be debited under the Rule of Proportions as ~~determined~~ defined in Art.45 C.S.R. In this connection please see also the case of Ward Attendant Muniswamy disposed of in Resident's Proceedings No.1824 dated the 20th February 1929. No reference to the Government of India is necessary as the question of the counting of Municipal service for leave has to be dropped.

3. Further in the appointment order book of the Municipal Office, it is noted under No.27 dated 14-11-04 and No.34 dated 5-11-06 "vide Narasimhiya and Guru Row appointed to the station Police ~~station~~". If the Sub Inspectors had resigned their municipal appointments, the above quoted orders would have clearly stated "vide so & so resigned"

4. The Sub Inspectors' have paid pensionary contribution on their salaries during their municipal service - From the records mentioned above, it is clear that their services were transferred to Government and it is but fair that the Municipal Commission should accept their liability to bear their share of leave and pension for these 2 Sub Inspectors.

I request therefore that the Government of India may be addressed to treat the previous municipal service of the 2 Sub Inspectors as qualifying for leave and pension - as has been done in the case of Hackney Carriage and Motor vehicle establishments. The service books of the 2 Sub Inspectors are herevith sent for favour of perusal and return.

I have the honour to be,

Sir,

Your most obedient servant,

COMMISSIONER OF POLICE.
